IAFCI ANNUAL TRAINING CONFERENCE

IAFCI FLORIDA CHAPTER

Dear Prospective IAFCI Conference Sponsor:

The Florida Chapter of the International Association of Financial Crimes Investigators (IAFCI) is hosting the 2023 International Training Conference in Tampa, Florida. The Conference will be held August 28- September 1, 2023, at the Tampa Marriott Water Street Hotel. The theme for the Conference is ***"Keeping Fraud at Bay"***. To make this Conference a success, we are reaching out for financial assistance, in the form of sponsorship or donations, from our industry partners and vendor organizations, such as yours.

The 2023 IAFCI Conference Committee is pleased to announce a suite of sponsorship opportunities that have been developed to assist you in making a decision on how you want your sponsorship to be used. We can tailor a sponsorship package to fit your company's needs, and to suit your budget, coupled to help you maximize your experience and exposure to key target audiences.

At our conference you will learn from the best on preventative methods, investigative tools, techniques, current & new trends and understanding schemes and detection in today's financial industry of fraud. You will have the opportunity to network with financial fraud experts and leaders from all over the world and participate in our networking events. We have added social and digital media to our marketing tactics, and we welcome you to "like" or post on our Twitter and LinkedIn pages.

The Tampa Marriott Water Street Hotel is located at 505 Water Street, Tampa, Florida in the dynamic downtown area of Tampa and steps from the Tampa Riverwalk, Florida Aquarium and Sparkman's Wharf.

If you are interested in being a sponsor and/or exhibitor, contact our 2023 Conference Sponsorship Chair Amanda Prince, aprince71@gmail.com 501-529-0551 or IAFCI International Office admin@iafci.org or call 916-939-5000.

Thank you in advance for supporting the IAFCI International Training Conference, and the professionals who attend, to learn more about combatting financial and cybercrimes.

Sincerely,

Sam Fadel
2023 Conference Chair

About IAFCI

Our New Mission and Who We are Today

The association, a non-profit international organization, will provide services and an environment within which information about financial fraud, fraud investigation and fraud prevention methods are collected, exchanged, and taught for the common good of the financial payment industry and our global society.

Our Members

We are proud to say that we have members across the world in every continent. Our Membership consists of approximately one third law enforcement, one third banking professionals and one third retail and service industry members. Our members come from all levels of law enforcement, card associations, banks and credit-unions, private label issuers, mail order houses, airlines, telecommunications, petroleum industry, processors and transporters, to name a few. Everyone who is involved in the security of financial transactions where a device is used to access money, a card, check, account number or some other access device, is involved in IAFCI's effort to safeguard the world's economy through teamwork.

Where We Began

In 1968, a small group of law enforcement officers and special agents of the credit card industry formed an organization to represent the professional fraud investigator.

Where We are Today

For nearly thirty years, we were the International Association of Credit Card Investigators (IACCI). In 1996, the membership chose to change the name and the mission of the Association to expand our focus to other related financial transaction crimes. This was in response to the changing crime picture where the same criminals were committing a variety of financial crimes. The Association became the International Association of Financial Crimes Investigators January 1, 1997. The Association is non-competitive and provides a neutral ground for the industry, concentrating on training and communications to prevent and suppress financial and cyber transaction fraud, worldwide.
